**Research Analysis**

The second floor amendment to SB 397 requires the Oklahoma Department of Libraries (ODL) to develop procedures for schools to use to ensure their library materials, and any acquisition of new materials, are reflective of community standards.

The ODL is required to submit the procedures to the Legislature prior to the last 30 days of the 2024 legislative session. Through a joint resolution, the Legislature must approve, disapprove in whole or part, or amend in whole or part, the procedures. If the Legislature disapproves, or has instructions for changes, the ODL may make revisions and resubmit the procedures.

The procedures must be adopted by all school districts by July 1, 2024.
